## SERVICE INSTRUCTIONS

There are **essential** steps for SkyMed members to remember when traveling.

### **In the case of a *CRITICAL ILLNESS OR INJURY*:**

- Call 911 or have someone take you to a hospital**
- Always** have a “designated” family member or friend to be your spokesperson should you or a loved one become **CRITICALLY ILL OR INJURED**.
- Always** have this spokesperson contact SkyMed *immediately* should you become hospitalized, at **1-800-475-9633** or from OUTSIDE THE United States call our Universal International toll-free number **1-866-665-8328**, or alternately from Mexico, call **001-866-805-9624**, or call collect to **480-946-5188**. Your collect call will be accepted 24-hours-a-day, 365 days a year. **This is EXTREMELY important!**
- You MUST** have pre-approval from SkyMed for all services except the helicopter option or the ground ambulance option, which is **NOT** included in the basic membership plan and is shown on page 12.
- Never** assume the doctor or nurse will contact SkyMed for you.
- Never** give your credit card number to make transport arrangements. If you are asked for a credit card, **you are not speaking to SkyMed**.

## TRAVELING IN MEXICO

When traveling in Mexico, keep in mind that nearly all airports are closed to private aircraft from dusk to dawn. Help may not be able to reach you until the following morning. SkyMed does everything possible to evacuate their **CRITICALLY ILL OR INJURED** members quickly. SkyMed contracts with dozens of air ambulance providers, all of which must meet our strict requirements and you can be assured that the closest available air ambulance will respond in the earliest possible time frame. Please call us, or have a friend or family member call us immediately upon hospitalization.

**DO NOT WAIT.** All flights must be pre-approved and authorized by SkyMed. If the flight is not pre-approved, there is no coverage under the terms of the Member Service Agreement and the burden of the air evacuation expense will become yours.

Any person who knowingly and with intent to injure, defraud, or deceive SkyMed and files a statement of claim or an application containing any false, incomplete or misleading information may be guilty of a felony of the third degree.
